

## Appendix V

### VII. Caseload Management

#### Caseload Allocation Methodology

For the 2022 caseload allocation, the State will look at the last three years' average caseload of each Local Agency and weight the averages at .5 for FY 2020, .3 for FY 2019 and .2 for FY 2018. This figure will then be assigned to the Local Agency for the FY 2022.
